HYDRANT HYSTERIA

April 5, 2017 • DCU Center
Worcester, Massachusetts
2017 Spring Conference & Exhibition

What is Hydrant Hysteria? Hydrant Hysteria is a fast-paced, hands-on competition being held at the 2017 Spring Conference & Exhibition. Teams of two assemble a hydrant as fast as possible and **any NEWWA member can participate.**

When is the competition? Wednesday, April 5th at the DCU Center in the Exhibit Hall from 12:00pm to 2:00pm.

What is the prize? The winning team will be sent to ACE 2017 in Philadelphia to represent New England in the national competition. Transportation, lodging, and exhibits registration will be provided to the winning team.

How do we practice? Donated hydrants will be available for teams to practice. Each team must supply their own set of hand tools. A full list of materials can be found on NEWWA's website. Practice space is available at NEWWA headquarters in Holliston, MA, if needed. Contact Katelyn at KCahalane@newwa.org to reserve space.

Why participate? Battle your peers, colleagues, and friends to become the first NEWWA Hydrant Hysteria champion! Equipped with bragging rights, winners will receive a trophy and recognition.

Check out the demo! Visit NEWWA's Youtube to watch the demo in action - [youtube.com/newwaterworks](https://www.youtube.com/newwaterworks)

So, what are you waiting for?

If you are interested in forming or joining a team, fill out the attached registration form. Questions? Contact Demetrios Vidalis at (617) 438-3908, or e-mail vidalisd@bwsc.org. Act Fast - only the first 8 teams will be eligible to compete!
