

**New England
Water Works
Association**

A Section of the American Water Works Association

Youth Education Committee

The NEWWA Youth Education Committee has begun to recognize educators who have made a special effort to teach water education. By using the attached criteria, along with the information provided below, the committee hopes to be able to reward educators for the work they do increasing knowledge and appreciation of our priceless resource - water. If you have an educator that you wish to nominate, please send this completed form to: **NEWWA Teacher Nomination, 125 Hopping Brook Rd., Holliston, MA 01746-1471**** (Questions can be directed to Paul Riendeau at 508-983-7979 or Fax: 508-893-9898)
