Woodard & Curran Honored by the New England Water Works Association

HOLLISTON – Woodard & Curran received the 2016 Sponsor of the Year Award from the New England Water Works Association (NEWWA), the region’s largest and oldest not-for-profit organization of water works professionals.

This award recognizes the outstanding efforts of service provider members who support NEWWA through financial contributions, in-kind materials, and volunteer resources.

Woodard & Curran is an integrated engineering, science, and operations company focused on helping clients in the public and private sectors address water and environmental challenges.

Woodard & Curran has been a Gold Sponsor of New England Water Works Association for many years. The firm also supports the association through advertising, sponsorship at the Annual Golf Classic, consistently exhibiting at the Spring Conference, and sponsorship of the biennial Water For People Gala.

Twenty of the firm’s employees are individual members of NEWWA, many of whom are active volunteers and frequently present at the Annual Conference and Spring Conference. NEWWA recognizes Woodard & Curran for their support of Carol Harris during her recent service as president of the association and Nathan Little, vice chair of the Young Professionals Committee.

This award was accepted by Carol Harris at the 135th Annual Conference on September 18, 2016, in Providence, Rhode Island.

The New England Water Works Association is a nonprofit, independent, member-driven organization dedicated to serving the region’s water works professionals and the public interest. It is the oldest and most active regional water works association in the United States. For more than a century, NEWWA has worked to improve and sustain public water supplies, protect public health and safety, and advance the water supply profession. Visit us at newwa.org.
