David Harris of Littleton Honored by the New England Water Works Association

HOLLISTON, Mass. – David Harris of Littleton received the 2016 Kenneth O. Hodgson Distinguished Service Award by the New England Water Works Association (NEWWA), the region’s largest and oldest not-for-profit organization of water works professionals.

This award provides recognition for outstanding service to the New England Water Works Association and the waterworks industry by a member from the service, manufacturing, or contracting area. The award recognizes David as a member who has provided exemplary service and dedication to furthering the ideals of the association.

Over the last 10 years David has served on numerous volunteer committees including Site Selection, Nominating, Planning, and Organizational Development. He joined the NEWWA Board of Directors in 2007 as Vermont State Director where he served until 2010. He went on to serve as President of New England Water Works Association from 2012 to 2013. David is also a past president of the Green Mountain Water Environment Association in Vermont.

In addition to his usual volunteer work, David has assisted the Distribution & Storage Committee with their meter class and served as a moderator at the NEWWA Planning Session in Keene, NH.

David is a Territory Manager for Ti-Sales of Sudbury, Massachusetts. He has served Vermont and New Hampshire for almost 30 years.

David received the Kenneth O. Hodgson Distinguished Service Award on September 20, 2016 at the 135th NEWWA Annual Conference in Providence, Rhode Island. The award was presented by Christopher Hodgson, NEWWA vice president and the son of Kenneth O. Hodgson for whom the award is named.

The New England Water Works Association is a nonprofit, independent, member-driven organization dedicated to serving the region’s water works professionals and the public interest. It is the oldest and most active regional water works association in the United States. For more than a century, NEWWA has worked to improve and sustain public water supplies, protect public health and safety, and advance the water supply profession. Visit us at newwa.org.
