Paul Howard, P.E., of Haverhill Honored by New England Water Works Association

HOLLISTON, Mass. – Paul Howard, P.E., of Haverhill recently received the 2016 Massachusetts State Leadership Award from the New England Water Works Association (NEWWA), the region's largest and oldest not-for-profit organization of water works professionals. This award honors Paul's commitment and contributions to the Massachusetts Water Works Association (MWWA) and for protecting drinking water supplies and public health in Massachusetts.

Paul is Senior Vice President and Co-Founder of Tata & Howard, a specialized water, wastewater, stormwater, and environmental services consulting engineering firm. Paul has over 30 years of engineering experience and currently manages the technical aspects of the firm. He has been an active member of the American Water Works Association and NEWWA for over 30 years. Paul is a past president of MWWA and member of Legislative, Financial, and Technical Committees. He is a past recipient of the MWWA William H. McGinness Award. Paul received his Bachelors of Science degree from Worcester Polytechnic Institute in 1982.

In his community Paul serves as Chairman of the Haverhill Planning Board and serves on the board of directors for the Fox Run Townhouse Association.

Jennifer Pedersen, MWWA executive director, presented Paul with this award on December 15, 2016 during the NEWWA December Monthly Membership Meeting in Randolph, MA.

The New England Water Works Association is a nonprofit, independent, member-driven organization dedicated to serving the region's water works professionals and the public interest. It is the oldest and most active regional water works association in the United States. For more than a century, NEWWA has worked to improve and sustain public water supplies, protect public health and safety, and advance the water supply profession. Visit us at newwa.org.
